Well the year is finally over....some of us say thank god! Others can't wait for the next race to start and are considering winter tires... 2008 proved to be a challenging season with a late start, engine claims and track issues. One of the best things about this club is the ability of its members to rise above these issues and continue on. Are we the same club we were 9 or 10 years ago...absolutely not, we've had improvements and headaches, but we also have the ability to be versatile and bring this club to where we all want it to be - Improved and FUN. So lets put 2008 to bed and start looking at 2009 and see what we can do to make it a better more fulfilling year.

Congrats to our 1st place winner #15- Karey Stular , 2nd place #17 - Shone Laing & 3rd place #18 Troy Flynn. You guys worked hard and it showed. Enjoy this evening - its for you! So drink up, preen about your successes and be prepared for next year and some tougher competition.

All the best until 2009!

DEEP THOUGHTS BY MEN WHILE FISHING Two men are out ice fishing at their
> favorite fishing hole, just fishing quietly and drinking beer. Almost
> silently, so as not to scare the fish, Mel says, 'I think I'm going to
> divorce my wife - she hasn't spoken to me in over 2 months.' Earl
> continues slowly sipping his beer, then thoughtfully says, 'You better
> think it over - women like that are hard to find.'
