MODIFIED NEWS 2007

Year End 2007

After a short but aggressive season, with a few new faces added to the club we once again say goodbye to the race season. We saw many highs such as a blistering hot race day of 36 degrees in the pits out in Kindersley for Dirt Cup, to the Chilly Rainy Nights out at Wetaskiwin.

Competition for first, second and third place were remarkably close. On September 22, at Wetaskiwin we had a great reminder about what this club is about...#19 Roger Reid, our season points leader, car broke in hotlaps, #11 John Jones who had brought two cars for a better car count that day, loaned his 2nd car to Roger so he would be able to still race, Shone Laing #17 who was battling for second place also broke, Roger helped him out by loaning him his rear-end from his broken car so he too could continue to race. Even our 2nd place leader #65 Rookie to our class but far from one, Doug Dymont got some help with his car to keep him in the running. To put it shortly everyone was racing and I don't think there was one car in the class that hadn't borrowed or loaned another driver something, or a driver who didn't get his hands dirty helping someone else fix something. (yep drivers not pit guys) We managed to have just about everyone start the main and to put on a great show for the fans. At the end of the night different drivers and their crews could be seen helping each other load up.

This is what the class is based on - one group coming together battling it out on the track to be number #1 - AND in the pits a great group willing to do anything to help out the guy beside them. Sometimes this gets lost in the mix and we need a friendly reminder, and this race day definitely was. ☺

As always I'm grateful to be a continuing part of this group, and I am looking forward to the 2008 season which from various rumors and speculation...should have a lot of the same drivers in new cars and possibly some more new faces joining the ranks.

So congrats to the winners! Thank You! To everyone who helped out this year-Stepping up and filling in when others couldn't make it. BOOOO to the weather Gods who cut the season short and prayers that next season will be an evenly matched, peddle to the floor, action filled, exciting fan encouraging Race Season!

"JOKES"

Matt Kenseth received a parrot for his birthday. This parrot was fully grown with a bad attitude and worse vocabulary. Every other word was an expletive. Those that weren't expletives were, to say the least rude. Matt tried hard to change the bird's attitude and was constantly saying polite words, playing soft music, anything he could think of to try and set a good example... Nothing worked. He yelled at the bird and the bird got worse. He shook the bird and the bird got angrier and more rude.

Finally, in a moment of desperation, Matt put the parrot in the freezer. For a few moments he heard the bird squawking, kicking, and screaming - then suddenly there was quiet.

Matt was frightened that he might have hurt the bird and quickly opened the freezer door. The parrot calmly stepped out onto Matt's extended arm and said: "I'm sorry that I might have offended you with my language and action and I ask your forgiveness. I will endeavor to correct my behavior."

Matt was astonished at the bird's change in attitude and was about to ask what had made such a dramatic change when the parrot continued: "May I ask what the chicken did?"

Three race fans are going to the exhibition race in Mexico, when they are mistakenly arrested and are scheduled to be executed by firing squad. They bring out the Mark Martin Fan and stand him in front of the pole. He points and shouts, "Tornado!" They all look and the Martin Fan runs away. Next, they place the Dale Jarrett Fan in front of the firing squad. He yells "Earthquake!" They all hit the dust and the Dale Jarrett Fan escapes. Next up is the Gordon Fan. He looks around and shouts "Fire!"

Gordon is out taking a stroll in the snow. He slips off a Icy bridge, hits his head, and falls into an icy river. Three kids see it happen. They jump in and save him. When he comes to, he says, "Boys, you saved a Three Time Winston Cup Champion. You each deserve a reward. You name it, and You Got It!" The first kid says, "I'd like to go to Disneyland." The Rainbow Warrior says, "I'll send you and your whole family for a week at Disneyland." The second boy says, "I'd like a 4 wheeler so I can Go out mudbogging out behind my house" Gordon says, "I'll get you the best Four Wheeler With all the safety Features and I'll have someone teach you how to drive it safely." The third kid says, "I'd like a electric twin-turbo wheelchair with a HiFi stereo and Cruise Control." #24 says, "I'll get you the Best ... Wait a second, you're not handicapped, you don't need a Wheelchair." The kid says, "I will be when my father finds out who I saved from drowning."

Bobby Labonte and Terry Labonte are out hiking. All of a sudden, a bear starts chasing them. They climb up a tree, but the bear starts climbing up the tree after them. Bobby gets his sneakers out of his knapsack and starts putting them on. Terry, "What are you doing?" He replies, "I figure when the bear gets close to us, we'll jump down and make a run for it." The Ice Man says, "Are you crazy? You can't outrun a bear." Bobby says, "I don't have to outrun the bear... I only have to outrun you."
